2011 District of Columbia Electric Vehicle Forum

Brought to you by:
The District Department of the Environment
and The District Department of Transportation.

Please join Councilmember Cheh, Directors Tulou and Bellamy, and PSC Chair Kane for a forum to facilitate citywide coordination among community, utility, government, and industry representatives to prepare for widespread adoption of electric vehicles (EVs) in the District. Presentations and discussions will focus on infrastructure, funding, environmental, permitting, and regulatory requirements necessary to effectively advance EV infrastructure development within the city.
